**CATJEE ONLINE CLASSES**

After my JEE Main Session-1 (January) result, I knew I was capable of a yet better performance but now I wanted a fresh touch to everything to work over my weak areas. It is my father who is himself a B.Tech from IIT BHU, who strongly suggested me to join CATJEE ONLINE CLASSES to improve my percentile and I must say it did work! Catjee's highly crisp video lectures and personalised support through their teachers helped me achieve AIR 400 rank in the General category. I have still not stopped and hope to do even better in upcoming JEE Advanced exam. And one more point, the online test series of CATJEE for JEE Main Session-2 was so helpful. It also played a big role in bringing me close to the actual exam paper. Thanks to my father for introducing me to CATJEE and thanks to CATJEE for this invaluable support!
