After having secured 99.66 percentile in JEE Main (January), I was truly not very satisfied with my score. Then some of my friends and relatives in Bihar suggested me to join Catjee Online Classes for the JEE Main (April) attempt and also for upcoming JEE Advanced. Today I feel my decision has paid off. Catjee video lectures, online tests and doubt clearing sessions and the personal connect with the teachers were just awesome. Catjee Test Series for the JEE Main April session was so planned and methodical. The questions were just so exam ready and solutions so elaborate. My April session percentile improved to 99.94 and I got AIR 680 in General Category. My heartfelt thanks to Catjee Online Classes!!
